

REACH Regulation (EC) No. 1907/2006

The European Regulation 1907/2006 on the Registration, Evaluation, Authorization and restriction of CHEMical substances entered into force on 1 June 2007.

The "REACH Regulation" requires that substances classified as "SVHC" (substances of very high concern) are pre registered between 1st June 2008 - 30th November 2008 and any substances not registered during this period; are subject to full registration.

REACH Compliance: Statement Of Policy:

As a company Pickering Electronics Ltd is committed to REACH compliance and its philosophy.

Pickering Electronics Ltd is not a producer of SVHC's in bulk and we do not import or produce goods that contain SVHC's in quantities exceeding 1 tonne per year.

Pickering Electronics Ltd is therefore exempt from pre-registering or full registration of substances with the European Chemicals agency.

We have no intentions to change the composition of our goods.
